0.   Any other remarks on the curriculum formulation/ implementation –

(1) We got many suggestions. Here is the gist of the same.

a) Internet Facilities – Ensuring high-speed and reliable internet access across the campus for students and faculty members.
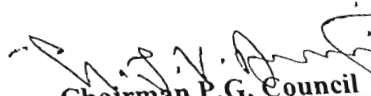

b) Smart Classrooms – Upgrading traditional classrooms with smart boards, projectors, and other digital tools for an interactive learning experience.

c) Laptops for Faculty Members – Providing each faculty member with a laptop to facilitate efficient teaching, research, and administrative work.

d) Library Enhancement – Expanding our library collection with more subject-specific books to support diverse academic needs.

(2) Considering the NEP framework, it is proposed to incorporate an interdisciplinary paper or a paper on Ethics and Human Values into the P.G. courses to align with the NEP structure effectively.
